Hello there, I'm

BRYAN FINK

Front End Web Developer

📧 Bmfink87@gmail.com   💻 https://BryanFink.dev   git https://github.com/BryanMF87

PROFESSIONAL STATEMENT

I am graphic designer, experienced website builder, and self-taught JavaScript programmer. I'm proven effective individually as well as part of a team. My ability to learn quickly and implement new ideas while constantly seeking to improve as a developer ensures high quality work while adhering to strict deadlines.
